

LYNKD Community Guidelines

Introduction

Welcome to **LYNKD**! We're excited to have you as part of our dynamic platform where creativity, connection, and commerce come together. To ensure that LYNKD remains a fun, safe, and welcoming space for everyone, we've put together these Community Guidelines. These guidelines are designed to help you navigate the platform, participate responsibly, and contribute positively to the community. By using LYNKD, you agree to follow these guidelines, which are designed to protect both the community and individual users.

Respect Others

At LYNKD, respect is the cornerstone of our community. Treat everyone with kindness, empathy, and consideration—whether you're creating content, commenting on posts, or making a purchase.

- **Be Courteous:** Always engage with others in a positive and respectful manner.
 - **Celebrate Diversity:** We embrace users from all walks of life and believe that our community is stronger because of it. Treat everyone fairly, regardless of their background, identity, or beliefs.
 - **Harassment and Bullying:** Any form of harassment, bullying, or offensive behavior will not be tolerated. This includes abusive comments, threats, or any form of personal attacks.
-

Safety

Your safety and the safety of others is our top priority. We encourage open communication, but we also take privacy and safety seriously.

- **Protect Your Information:** Avoid sharing personal information like home addresses, phone numbers, and financial details. This helps protect both your privacy and the privacy of others.
 - **Report Inappropriate Behavior:** If you feel unsafe or experience any form of harassment, report it immediately. We're here to help and investigate all reports thoroughly.
-

Content That Promotes or Glorifies Violence and Hate

LYNKD is a community where creativity and expression should be uplifted, not harm. Content that promotes violence, hate, or discrimination is strictly prohibited.

- **No Violence:** Content that incites, promotes, or glorifies violence—whether against individuals, groups, or communities—will be removed.
 - **No Hate Speech:** We do not tolerate hate speech of any kind, including racially, sexually, or religiously discriminatory content. This includes slurs, dehumanizing language, or any posts that target others based on their identity.
-

LYNKD is a platform for all audiences, and we aim to maintain a safe and comfortable space.

- **Appropriate for All Ages:** Explicit sexual content, nudity, or sexually suggestive material is not allowed. This includes both images and text.
